

UU Principles

There are seven principles which Unitarian Universalist congregations affirm and promote:

- The inherent worth and dignity of every person;
- Justice, equality and compassion in human relations;
- Acceptance of one another and encouragement to spiritual growth in our congregations;
- A free and responsible search for truth and meaning;
- The right of conscience and the use of the democratic process within our congregations and in society at large;
- The goal of world community with peace, liberty, and justice for all;
- Respect for the interdependent web of all existence of which we are a part.

Come as You Are

We are a Welcoming Congregation, recognized by the Unitarian Universalist Association. This means we affirm and include people who are lesbian, gay, bisexual, transgender, and queer at every level of congregational life -- in worship, in program, and in social occasions -- welcoming all.

As a Welcoming Congregation we have pledged to:

- honor the lives of all people and equally affirm displays of caring and affection without regard for sexual orientation.
- celebrate diversity by using inclusive language and content in worship.
- incorporate an understanding of the experience of lesbian, gay, bisexual, transgender, and queer persons throughout all of our programs, including religious education.
- affirm and celebrate lesbian, gay, bisexual, transgender, and queer issues and history.
- affirm marriage equality and conduct same-sex weddings.
- advocate for lesbian, gay, bisexual, transgender, and queer people, promoting justice, freedom, and equality in the larger society. We speak out when the rights and dignity of lesbian, gay, bisexual, transgender, and queer people are at stake.

We Provide Services

Childcare/Religious Education

The Unitarian Universalist Fellowship of Lafayette currently offers infant and child care during our regular services. All children are welcome. We babysit babies, toddlers and young children in a fun, laid back environment. Alternately, parents are free to include their children in the service, as they feel comfortable.

Our long-term vision is to attract a regular group of school age children to attend, at which point we will pursue Religious Education. Unitarian Universalist Religious Education focuses on teaching children about world religions, fostering personal spiritual growth, and practicing good citizenship. We look forward to developing an RE program with the support and guidance of our student's parents and guardians.

Wedding Services

We honor each person's beliefs and values. Each wedding is custom-crafted with a couple to reflect their personalities and beliefs. We joyfully officiate and bless traditional vows, interfaith weddings, atheist weddings, same-sex weddings and weddings for those with Unitarian Universalism's diverse beliefs.
